ACCESS TO PREMIUM GOLF FOR OVER **20** YEARS

BRG has now been a golf industry pioneer in Vietnam for over 20 years. With a love for the game of golf and passion to provide the very best international courses in the country, BRG Group has consistently delivered the 'best golf experience in Vietnam'.

In December 2020, BRG staged the 5th annual BRG Golf Hanoi Festival over two great courses on two sunny days. The weekend festival was an inspirational event aimed at developing golf tourism in the region and was well received by all of the participating golfers.

BRG Group also completed and opened the full 18-hole Nicklaus Course at Danang this year to offer a new challenge to golf enthusiasts and tourists. The new course features vertical walls that delineate the green edge from the water's edge by using 5 km of north American wood bulkhead piling. This is the first golf course of its style and strategy in Vietnam.

Further in Danang, the (BRG) Group also launched the BRG Golf Resort Hotel project demonstrating commitment and vision that drives beyond the current pandemic which rocked tourism throughout the country and in Danang particular last year. This project is anticipated to greatly contribute to the revival of golf tourism when borders open up later to inbound travelers in late 2021 and beyond.
